CONSENT TO TREATMENT

By signing below, I (or my authorized representative on my behalf) authorize Urgent Specialists L.L.C. and their staff to conduct diagnostic examinations, tests, and procedures to assess, diagnose, and treat my illness(es) and/or injury(ies). I authorize Urgent Specialists to provide medications, treatment, or therapy necessary to effectively assess and maintain my health. I understand that it is the responsibility of my individual treating healthcare provider(s) to explain to me the reasons for any diagnostic examination, test or procedure, the available treatment options, and the common risks. I also understand that the practice of medicine is not an exact science and that no guarantees have been made to me as to the results of my evaluation and/or treatment. It is my responsibility to pay for services rendered. I understand that Urgent Specialists will collect payment from my insurance company(ies) on my behalf, but I am ultimately responsible for payment if my insurance does not cover my fees obtained at Urgent Specialists L.L.C. I understand my care may have additional charges billed by outside facilities (i.e., labs, x-rays, and splints) that may not be covered by my insurance carrier and therefore will be my responsibility.

STATEMENT OF LIMITATION REGARDING ADVANCE DIRECTIVE

Our team is dedicated to delivering the highest quality care in a safe environment that places the patient at the center of our care. Most treatments performed at Urgent Specialists are minimal risk. It is the policy of Urgent Specialists that if an adverse event occurs during your treatment, the medical team will initiate resuscitative or other stabilizing measures and transfer you to an acute care hospital for further evaluation. At the acute care hospital, further treatment or withdrawal of treatment measures already begun will be ordered in accordance with your wishes, advance directive, or health care power of attorney.

If you do have an Advanced Directive or Living Will and wish to provide us with a copy of the document, we will place a copy in your medical record. In the event of transfer to a hospital a copy will be forwarded to the hospital.

If you do not have an Advanced Directive/Living Will and wish to create one you may refer to one of the following:
